SPECIFICHE TECNICHE PER IL MATERIALE DI STAMPA

Formati: formato PDF ad alta risoluzione (300 dpi) ottimizzato per la stampa, più 3 mm per lato di refilo.

Supporti: CD, Server Sharepoint di Fiera Milano Editore
N.B: non inviare i file per posta elettronica.

Le lavorazioni di materiali non conformi alle specifiche sopra citate sia tecniche che di formato saranno fatturate forfettariamente (€ 50,00).

DETAILS FOR PRINTING MATERIAL

Formats: PDF format in highest resolution (300 dpi) ready for printing, with 3 mm of space at perimeter.

Supports: CD, Sharepoint Server of Fiera Milano Editore
N.B: do not send any file by e-mail.

Any modification of materials not conforming to the a.m. technical and size details will be invoiced at a forfait cost (€ 50,00).
